The information on the following pages is supplied by the Department of Education, Registered Training Organisation (DoE RTO) and relates to VET courses offered by the DoE RTO as part of the Hellyer Regional Collective.

Department for Education,
Children and Young People
RTO 60100

All VET courses listed, unless otherwise stated, are delivered by the Department for Education, Children and Young People Registered Training Organisation
RTO Code: 60100

ACM20121 Certificate II in Animal Care

Delivered by: Department for Education, Children and Young People Registered Training Organisation
RTO Code: 60100

Course Code: ACM20121

Course Name: Certificate II in Animal Care

Description:

This qualification provides the skills and knowledge for roles in the animal care and management industry. In this industry, workers provide care for animals in workplaces such as:

- animal shelters
- boarding/day care facilities
- sanctuaries
- veterinary clinics

The work activities are routine, performed under supervision and within clearly defined guidelines.

AHC20116 Certificate II in Agriculture

Delivered by: Department for Education, Children and Young People Registered Training Organisation
RTO Code: 60100

Course Code: AHC20116

Course Name: Certificate II in Agriculture

Description:

This qualification provides a general vocational outcome in agriculture. You could select a livestock production, cropping or livestock context as a job focus. In mixed farming enterprises, you could choose both cropping and livestock.

With this qualification, you carry out routine tasks under supervision. You also show accountability for your work and show initiative. Job roles may include:

- Assistant animal attendant/stockperson
- Assistant farm or station hand
- Assistant farm or station worker
- Assistant farm or station labourer.

AHC20416 Certificate II in Horticulture

Delivered by: Department for Education, Children and Young People Registered Training Organisation
RTO Code: 60100

Course Code: AHC20416

Course Name: Certificate II in Horticulture

Description:

This qualification underpins a range of work functions and job roles that can lead to a horticultural trade qualification.

AUR20720 Certificate II in Automotive Vocational Preparation

Delivered by: Department for Education, Children and Young People Registered Training Organisation

RTO Code: 60100

Course Code: AUR20720

Course Name: Certificate II in Automotive Vocational Preparation

Description:

This qualification provides the skills and knowledge to perform tasks related to identifying and inspecting mechanical and electrical components of:

- light vehicles
- heavy vehicles
- outdoor power equipment
- bicycles
- marine craft
- motorcycles.

You will also cover the skills and knowledge required to perform minor maintenance and repair of an automotive vehicle body. The range of technical skills and knowledge is limited.

BSB20120 Certificate II in Workplace Skills

Delivered by: Department for Education, Children and Young People Registered Training Organisation

RTO Code: 60100

Course Code: BSB20120

Course Name: Certificate II in Workplace Skills

Description:

This qualification reflects the role of individuals in a variety of entry-level Business Services job roles.

This qualification also reflects the role of individuals who have not yet entered the workforce, and are developing the necessary skills in preparation for work.

These individuals carry out a range of basic procedural, clerical, administrative or operational tasks that require self-management and technology skills. They perform a range of mainly routine tasks using limited practical skills and fundamental operational knowledge in a defined context. Individuals in these roles generally work under direct supervision.

CHC22015 Certificate II in Community Services

Delivered by: Department for Education, Children and Young People Registered Training Organisation

RTO Code: 60100

Course Code: CHC22015

Course Name: Certificate II in Community Services

Description:

This qualification may be used as a pathway for workforce entry as community services workers who provide a first point of contact and assist individuals in meeting their immediate needs. At this level, work takes place under direct, regular supervision within clearly defined guidelines.

CHC32015 Certificate III in Community Services

Delivered by: Department for Education, Children and Young People Registered Training Organisation

RTO Code: 60100

Course Code: CHC32015

Course Name: Certificate III in Community Services

Description:

This qualification reflects the role of entry level community services workers who support individuals through the provision of person-centred services. Work may include day-to-day support of individuals in community settings or support the implementation of specific community-based programs.

At this level, work takes place under the direction of others and supervision may be direct or indirect. Work may take place in a range of community services organisations.

CPC20220 Certificate II in Construction Pathways

Delivered by: Department for Education, Children and Young People Registered Training Organisation

RTO Code: 60100

Course Code: CPC20220

Course Name: Certificate II in Construction Pathways

Description:

This qualification provides a pathway to the primary trades in the construction industry with the exception of plumbing. Trade outcomes are predominantly achieved through an Australian Apprenticeship and this qualification allows for inclusion of skills suited for entry to off-site occupations, such as joinery as well as carpentry, bricklaying and other occupations in general construction.

This qualification is designed to introduce learners to the recognised trade callings in the construction industry and provide meaningful credit in a construction industry Australian Apprenticeship.

The qualification has core unit of competency requirements that are required in most Certificate III qualifications. The elective options are structured to allow choice from areas of trade skills as an introduction to a range of occupations.

HLT33115 Certificate III in Health Services Assistance

Delivered by: Department for Education, Children and Young People Registered Training Organisation

RTO Code: 60100

Course Code: HLT33115

Course Name: Certificate III in Health Services Assistance

Description:

This qualification reflects the role of a variety of workers who use a range of technical and procedural knowledge to provide assistance to health professional staff. With this qualification, you can work in direct contact with clients as a health services assistant.

MEM20413 Certificate II in Engineering Pathways

Delivered by: Department for Education, Children and Young People Registered Training Organisation

RTO Code: 60100

Course Code: MEM20413

Course Name: Certificate II in Engineering Pathways

Description:

This qualification applies to a learning and assessment environment where access to structured on-the-job learning in a workplace may not be available. This qualification is only for delivery in learning institutions.

The qualification is intended for people interested in exposure to an engineering or related working environment with a view to entering into employment in that area. This qualification will equip graduates with knowledge and skills which will enhance their prospects of employment in an engineering or related working environment.

SHB20121 Certificate II in Retail Cosmetics

Delivered by: Department for Education, Children and Young People Registered Training Organisation

RTO Code: 60100

Course Code: SHB20121

Course Name: Certificate II in Retail Cosmetics

Description:

This qualification reflects the role of retail sales personnel involved in a defined range of tasks to sell and demonstrate beauty or cosmetic products. They follow known routines and procedures, and work under direct supervision.

This qualification provides a pathway to work as a retail sales consultant in any business that sells beauty or cosmetic products and services. This can include beauty and hairdressing salons, retail outlets and department stores.

The skills in this qualification must be applied in accordance with Commonwealth and State or Territory legislation, Australian standards and industry codes of practice.

SHB20216 Certificate II in Salon Assistant

Delivered by: Department for Education, Children and Young People Registered Training Organisation

RTO Code: 60100

Course Code: SHB20216

Course Name: Certificate II in Salon Assistant

Description:

This is a preparatory qualification which provides a defined and limited range of basic skills and knowledge used in hairdressing salons by individuals who provide assistance with client services. These routine and repetitive tasks are completed under direct supervision and with guidance from hairdressers who manage the client service.

The combined skills and knowledge do not provide for a job outcome as a hairdresser and this qualification is intended to prepare individuals for further training.

SIS20321 Certificate II in Sport Coaching

Delivered by: Department for Education, Children and Young People Registered Training Organisation

RTO Code: 60100

Course Code: SIS20321

Course Name: Certificate II in Sport Coaching

Description:

This qualification reflects the role of individuals who apply the skills and knowledge to conduct pre-planned coaching sessions with foundation level participants in a specific sport.

This qualification pathway to work in assistant coaching roles working or volunteering at community based sports clubs and organisations in the Australian sport industry. SIT20122 Certificate II in Tourism

Delivered by: Department for Education, Children and Young People Registered Training Organisation

RTO Code: 60100

Course Code: SIT20122

Course Name: Certificate II in Tourism

Description:

This qualification provides the skills and knowledge to work in the tourism industry. Students will work to achieve a limited range of tourism operational skills and basic industry knowledge.

This qualification provides pathways to work in many tourism and travel industry sectors, including:

- travel agencies
- tour wholesalers
- tour operators
- attractions
- cultural and heritage sites
- small tourism businesses.

Work could be undertaken in an office environment where the planning of tourism and travel products and services takes place, in the field where products are delivered, or a combination of both.

Possible job titles include:

- documentation clerk for a tour wholesaler or travel agency
- museum attendant
- office assistant for a tour operator
- receptionist and office assistant for a professional conference organiser or event management business
- receptionist and office assistant in a travel agency
- retail sales assistant in an attraction
- ride attendant in an attraction.
